Yeah! Yeah! And no one like me.
Yeah! Yeah! Yeah!
Congratulations, we made it, welcome to the crusader,
it's been a long time commin' yo!
But I'm here now, so what you wanna do,
how many dudes you really know, can flow,
like this, like this, like this, let's do it...

[Chorus:]

Uh, how many dudes you know roll like this,
how many dudes you know flow like this,
not many, if any,
not many, if any,
how many dudes you know who got the skills to go in
and roarck,
a show like this, uh uh, uh uh,
I don't know anybody.

Check, check to the mic check, a 1,
2 from a crew commin' thought,
are you hyped yet?
nowadays everybody wanna talk,
like they got something on scribe,
you ain't got nothing but a moment alive,
you can't front, when you're feellin'
the vibe, you know scribe is takin'
you high (high),
love it with the double bass, vibrate, shook the place,
in your vertebrate,
you hit a man,
move like a RS, Subaru, with a crew, come a equipped,
like a body kit,
lyrically I burn quick, so one foot is in the style,
thought his tongue like a steel fish, this kid named X,
from Vic, wanna get,
with scribe, in live, like a 0-5, I got vibe,
like a beehive, and when the mother from the squid of
a pimp,
of the sea side, and get you on the way that we ride,
round
town in the down low, never know, what the flow, bro,

chop chop,
can't stop hip hop, 'cause it don't stop hmm check it
out!!!!
(there's) check it out (No) check it out... (one) check it
out...
(Like me)

[Chorus X2]

Something' for the ride on cruise control, when the bass
vibrates,
shook the hives like a earthquake, thought this is not
good
for you, you made a great mistake, your eyes stop and
bomp be gone, sick of this, flick the switch, nitrous,
kick wanna trip
this is some new shit, real deal, like Cody field,
you know telling if you rock like mike or just might...
Roarck! Like double drop, double drop tight, t-club get
it on,
represent all night, take flight, like Nike kicks with tricks
and
make quick,
when the Brad Pitt and don't sit just get on down and
profound
with sound that we found with the underground, don't
sit just
get on down and profound with the sound we found
with the
underground...

[Chorus X2]

Next time you come on down to North Canterbury, it's
all good,
it's all good when come down to my hood and come to
South
Canterbury, it's all good uh uh, it's all good when you
come
down to my hood and come to East Canterbury, it's all
good
yeah, it's all good when you come down to my hood
and go to
West Canterbury, it's all good yeah, it's all good up in
my neck
of DA woodsahh...
