Congratulations, we made it, welcome to tha crusader,  
it's been a long time commin' yo!  
But I'm here now, so whatchu wanna do,  
how many dudes you really know, can flow, like this,  
like this, like this, lets do it..

[Chorus]

Uh, how many dudes you know roll like this,  
how many dudes you know flow like this, not many, if  
any,  
not many, if any, how many dudes you know who got  
the skills  
to go in and roarck, a show like this, uh uh, uh uh, I  
don't know any body.

Check, check to tha mic check, a 1, 2 from a crew  
commin' thought, are ya hyped yet, nowa days  
every body wanna talk, like they got something on  
scribe,  
ya ain't got nothing but a moment alive, you can't front,  
when ya feellin' tha vibe, you know scribe is takin' you  
high  
(high), love it with the double bass, vibrate, shook tha  
place,  
in ya vertebrate, yo hit a man, move like a RS, Subaru,  
with a crew, come a equipped, like a body kit, lyrically  
I burn quick, so one foot is in tha style, thought his  
tongue  
like a steel fish, this kid named X, from Vic, wanna get,  
with scribe, in live, like a 0-5, I got vibe, like a beehive,  
and when the mother from the squid of a pimp,  
of tha sea side, and get yo on the way that we ride,  
round town in tha down low, never know, what the flow,  
bro, chop chop, cant stop hip hop, cause it don't stop  
hmm check it out!!!! (Yes) check it out (No) check it  
out..  
(What) check it out... (Like me)

[Chorus 2x]

Somthin' for tha ride on cruse control, when tha bass

vibrates,  
shook tha hives like a earthquake, thought this is not  
good  
for yah, you made a great mistake, your eyes stop and  
bomp be gone, sick of this, flick the switch, nitrous,  
kick wanna trip this is some new shit, real deal, like  
Cody field,  
you know telling if you rock like mike or just might...  
Roarck! Like double drop, double drop tight, t-club get  
it on,  
represent all night, take flight, like Nike kicks with tricks  
and make quick, when the bra'd pit and don't sit just  
get on  
down and profound with sound that we found with the  
underground, don't sit just get on down and profound  
with the sound we found with the underground...

[Chorus 2x]

Next time you come on down to North Canterbury,  
it's all good, it's all good when come down to my hood  
and come to South Canterbury, it's all good uh uh,  
it's all good when you come down to my hood and  
come  
to East Canterbury, it's all good yeah, it's all good  
when you come down to my hood and go to West  
Canterbury,  
it's all good yeah, it's all good up in my neck of da  
woodsahh...
