Scribe - Stand Up!

intro (adlib)

yeah, it's the crusader, now I dont think you're ready, I thought I told y'all!

intro chorus/hook

We can not stop now,  
New Zealand hip-hop stand the fuck up  
We got it locked down  
I'm ready to rock, ready to roll  
I am ready to go  
Y'all ready to flow?  
Just let me know y'all..

verse 1

And I'ma be there to blow like C4  
Got plans to take over Japan like the D4  
And like P-Money told me at the top it's hella lonely  
I rock like Blindspott, 'what the fuck!?' you don't know me'  
I keep going, I keep growin', I keep flowin'  
I keep showin' M.C.'s how to raise the bar  
I'm still rhymin', I'm still writing, I'm still fighting  
and we can't turn back now because we came so far...

chorus

We can not stop now,  
New Zealand hip-hop stand the fuck up  
We got it locked down  
I'm ready to rock, ready to roll  
I am ready to go  
Y'all ready to flow?  
Just let me know y'all..  
We can not stop now,  
New Zealand hip-hop stand the fuck up  
We got it locked down  
I'm ready to rock, ready to roll  
I am ready to go

Y'all ready to flow?  
Just let me know (let's go)

verse 2

I'm like Nesian Mystik, you dissed it and now you love it  
New Zealand hip-hop there's not many things I hold  
above it  
Now is the time to focus, call up the Footsouljahs  
Deceptikonz, Hamofied yea we takin' over  
Tell 4 Corners that we ain't holdin' back any longer  
The Time Bandits and Wanderers now we gettin'  
stronger  
Down since day one like Sir-vere, Ali & Shan  
Yo it's real hip-hop so you wouldn't understand why..

2nd chorus

We can not stop now,  
New Zealand hip-hop stand the fuck up  
We got it locked down  
I'm ready to rock, ready to roll  
I am ready to go  
Y'all ready to flow?  
Just let me know y'all..  
We can not stop now,  
New Zealand hip-hop stand the fuck up  
We got it locked down  
I'm ready to rock, ready to roll  
I am ready to go  
Y'all ready to flow?  
Just let me know

Bridge (guitar solo)

verse 3

(yea, yea) We hit the big time, we're making big noise  
We're makin' big moves, playin' with the big boys  
Told you in Big Things, we're stayin' motivated  
We're 'bout to take New Zealand hip-hop and renovate  
it  
I grab the mic and do it, like there was nothin' to it  
Been through some bullshit but now I can see through it  
I'm ready to rock, ready to roll  
I am ready to go  
What, you don't know? You can't here it in my flow?!  
C'MON!!

3rd Chorus

We can not stop now,  
New Zealand hip-hop stand the fuck up  
We got it locked down  
I'm ready to rock, ready to roll  
I am ready to go  
Y'all ready to flow?  
Just let me know y'all..  
We can not stop now,  
New Zealand hip-hop stand the fuck up  
We got it locked down  
I'm ready to rock, ready to roll  
I am ready to go  
Y'all ready to flow?  
Just let me know (woo!)

outro (guitar solo/beats)
