How could someone just take,
all that I ever loved,
I've never loved someone,
like I love you,
'cos I feel more ashamed,
to know what I can do,
I've never missed someone,
like I miss you,
you mean the world to me,
I'd give anything, just to be..

I'm dieing, for the opportunity,
to save your life,
I'm not running,
I will never close the door,
to fate I won't escape,
I wish that I could tell you,
that it doesn't have to be this way.

I could of forgiven,
never forget this,
it's not the way it's meant to be inside,
you might express regret,
beyond describable,
this isn't the end,
just the beginning,
you mean the world to me,
I'd give anything, just to be..

I'm dieing, for the opportunity,
to save your life,
I'm not running,
I will never close the door,
to fate I won't escape,
I wish that I could tell you,
that it doesn't have to be this way.

I'm dieing, for the opportunity,
to save your life,
I'm not running away,
I will never close the door,

to fate I won't escape,
I wish that I could tell you,
that it doesn't have to be this way.
