Yes, something is making me like this
Maybe I'm just running
Maybe you're the one I miss
Cause lately, I've been thinking
Remember when you said you'd be with me
Was that all the truth
Or were you just lying to me?
Cause lately I've been thinking
This is how it's meant to be
I'm leaving you
You keep pulling me away
Until we're finally through
And I'm not crying over you
No, I'm not crying over you
And maybe you're the one for me
Maybe this is nothing
I guess we'll just have to see
Stop lying
Cause this all just don't make sense
I'm sick of hearing sorry
But fuck it, I'm distressed
And baby, you can trust me

This is how it's meant to be
I'm leaving you
You keep pulling me away
Until we're finally through
And I'm not crying over you
No, I'm not crying over you
YOU TELL ME WHERE TO GO
BUT YOU, NO YOU WILL NEVER KNOW
YOU TELL ME WHERE TO GO
BUT YOU, NO YOU WILL NEVER KNOW
This is how it's meant to be
I'm leaving you
You keep pulling me away
Until we're finally through
This is how it's meant to be
I'm leaving you
You keep pulling me away
Until we're finally through

And I'm not crying over you
No, I'm not crying over you
