Freezing time before the day breaks,
It's coldening outside,
and all the leaves are falling downwards.

Two of a kind, if only time would,
allow this mystery,
were only growing further in love.

So seize the day,
and all lost apathy,
will come around.

(It's Not) Another chance,
(No Not) Another calling.
(We are) Growing further apart now baby.
(I Am) A little scared.
(Not Now)
Just please save me.
We lie awake,
in a cold, cold ocean.
In a cold, cold ocean.

Winter trees and summer sunshine,
Come down upon your face,
and all I'm left with are these feelings.

I've told you once before,
this love will walk right out the door,
If all that's left, does not belong.

So seize the day,
and all lost apathy,
will come around.

(It's Not) Another chance,
(No Not) Another calling.
(We are) Growing further apart now baby.
(I Am) A little scared.
(Not Now)
Just please save me.
We lie awake,

in a cold, cold ocean.

(It's Not) Another chance,
(No Not) Another calling.
(We are) Growing further apart now baby.
