Where do I begin to tell the story?  
This is not a joke, there is no glory  
And this could be the chance  
The time that we change everything  
If only just for once you'd stop, and tell me the truth

Wo-oh, this time I can't go on without you  
I might love you  
No-oh, this is the time we tell our secrets, swear I mean  
this

Where is this going?  
I'm taking you down  
And your thinkin' just maybe your chances might to  
turn round  
Will you pray with me?

Wo-oh, this time I can't go on without you  
I might love you  
No-oh, this is the time we tell our secrets, swear I mean  
this
