This war's not ending, there are children crying  
Life's for living, not for dying  
Babies used for fighting machines  
Has my country stopped dreaming?

Oh, oh, oh, no, no, no, no, no, I refuse to live this way!!!  
?for the sake of our good children and their family  
name

It's a hopeless rescue, 'cause we save the one who  
robs the world of Godly virtue  
He believes it's only man who will make decisions  
For his plight of self-worship is his true religion

Oh, oh, oh, no, no, no, no, no, I refuse to live this way!!!  
?for the sake of our good children and their family  
name

Why oh why?  
Can you tell me why we have to see such things that  
should not be?  
If I lift my head up high, can I touch You're sky to make  
them stop their ways and live again

I've stopped complaining  
I'm not regaining  
So my health goes, it keeps on fading  
Still by body keeps on breathing  
But the inner side of me keeps on bleeding

Oh, oh, oh, no, no, no, no, no, I refuse to live this way!!!  
?for the sake of our good children and their family  
name
