Last night I heard their point of view
Today it seems that we could lose
This battle we call love
Today we'll be all that we are
Tomorrow's promise is not far
If we fight for what we believe is right

We hold the key to the truth in our hand
Tomorrow's what we will if we take a stand
We cannot fear or compromise
We have the faith that will keep us alive

Last night I heard the voice of youth
Praying for justice to rule
Over those who speak for love
We must be more than we have been
And use the Power that's within
Let us fight for what we believe is right

We hold the key to the truth in our hand
Tomorrow's what we will if we take a stand
We cannot fear or compromise
We have the faith that will keep us alive
Lies upon lies are what you've been sold
Defenseless leaders will never take hold of
He who believes in us
In God we trust
Forever!

Forever! Forever! Forever! Alive!
Forever! Forever! Together we'll rise!

We hold the key to the truth in our hand
Tomorrow's what we will if we take a stand
We cannot fear or compromise
We have the faith that will keep us alive
Lies upon lies are what you've been sold
Defenseless leaders will never take hold of
He who believes in us
In God we trust
Forever!

Forever! Forever! Forever! Alive!
Forever! Forever! Together we'll rise!
High!
