Here He Stands Before Me The Only Feared  
Angel Fierce And Strong  
Been Expecting You For Centuries It Seems  
But Now The Truth Will Finally Be Shown To Me  
All Goes Black But I'm Not Alone  
As He Gazes At Me With Pride From His Lifeless Throne  
Where's My Walk Through The Streets Of Gold  
Where The Voices Of The Angels Sing And Welcome My  
Soul  
To What Do I Owe The Oh Dark Enchanted Entity  
Collector Of All Souls  
Why Have You Not Graced Me With Your Cold Touch Of  
Death  
Or Brought Me To The Gates Of Heaven Or The Depths  
Of Hell  
Behold The New Life I Give To Thee  
Come Forward And Claim Your Throne To Be  
Kneel Down And Drink From The Lakes Of Flames  
And Conjure The Keys To My Domain  
As He Fades Away My Flesh Crawls To The Ground  
The Reaper Of Life Reborn In Robes Of Black I Wear His  
Crown  
Kneel Down And Drink From The Lakes Of Flames  
And Conjure The Keys To My Domain  
The Grimaced Images Flash Before My Eyes  
As I Witness Millions Of Humans Die  
Why Have You Chosen Me To Fulfill Your Conquest Of  
The Meek  
Now Feel The Wings Protude Out My Back  
Death Now Puts The Scythe Into My Hands
