Ooh...Hey there mama got the devil in your smile
Got your silicon on and stars in your eyes
Guilt on your face, big disgrace
Cheer up baby its part of the game
Goddamn hot rod legs to the sky
With your back on the bar and your mouth open wide
Guilt on your face, big disgrace
Victim written all over your face

Ooh...Hey there rebel on the jagermeister thrills
With a hand up your skirt and a mouth full of pills
Tears on your face, big disgrace
Pornstarchampion is the game
C'mon token got a line for a smile
Gotta a dime for your time gonna be a star tonight
Tears on your face, big disgrace
Sucker written all over your face

Ooh...Hey there mama got the devil in your smile
Got your silicon on and stars in your eyes
Guilt on your face, big disgrace
Sucker written all over your face
