C'mon c'mon c'mon  
We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you

Ooh hey there mama got the devil in your smile  
Got your silicon on and stars in your eyes  
Guilt on your face big disgrace  
Cheer up baby its part of the game  
Goddamn hot rod legs to the sky  
With your back on the bar and your mouth open wide  
Guilt on your face big disgrace  
Victim written all over your face

We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you

Ooh hey there rebel on the jagermeister thrills  
With a hand up your skirt and a mouth full of pills  
Tears on your face big disgrace  
Pornstar champion is the game  
C'mon token got a line for a smile  
Gotta a dime for your time gonna be a star tonight  
Tears on your face big disgrace  
Sucker written all over your face

Buddy you're a boy make a big noise  
Playing in the street gonna be a big man some day  
You got mud on your face  
You big disgrace  
Kicking your can all over the place

We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you

Ooh hey there mama got the devil in your smile

Got your silicon on and stars in your eyes  
Tears on your face big disgrace  
Sucker written all over your face

We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you  
We will we will rock you
