They fuck like scum
And they piss like scum
And they shit like the scum [Incomprehensible]

Now, token slots clankin'
Turned on, pick your fix, cheap satisfaction
Heels start a stompin'
Red lights paint your face, dollar bills attackin'
Cheap slut, suck it up
All holes filled with flesh, back alley action

Grind it now, ride it now
Grindin' sleaze freak
Grind it now, ride it now
Grindin' sleaze freak

Now, dead vein pain
Take another shot, fucker, needle whore attraction
Sweet devils own touch
Behind glass displays, blood starts a pumpin'
Pills for thrills
Put your faith in disgrace, lose inhibitions

Grind it now, ride it now
Grindin' sleaze freak
Grind it now, ride it now
Grindin' sleaze freak

Grind it now, ride it now
Grindin' sleaze freak
Grind it now, ride it now
Grindin' sleaze freak

Sleaze freak, sleaze freak, grind it
Sleaze freak, sleaze freak, grind it

Behold this wicked woman
She sucks it, fucks it
Picks it up and licks it
