I am a righteous man  
Pain on my lips and flowers in my hand  
Angel's breath can die  
And choke out any day

Bite your flesh  
Leave scars all over  
Till my teeth are broken  
Tear your face wide open

The devil made me do it  
Every day I want to fuckin' die  
I mix my hate with alcohol now  
Everything that I love I want to kill

The devil made me do it  
Every day I want to fuckin' die  
I mix my hate with alcohol now  
Everything that I love I want to kill

The devil made me do it  
The devil made me do it

I am the nothing's end, only empty, sick inside  
Trigger trip or trick, tearing flesh, cutting in rough lines  
Hate your face, your pain's not over  
Till my hands are swollen and my fists are broken

The devil made me do it  
Every day I want to fuckin' die  
I mix my hate with alcohol now  
Everything that I love I want to kill

The devil made me do it  
Every day I want to fuckin' die  
I mix my hate with alcohol now  
Everything that I love I want to kill

The devil made me do it  
The devil made me do it  
The devil made me do it  
The devil made me do it

The devil made me do it
