"We Are All God's Music"

We are all God's music
You and I, yes we are
We're the chosen rhyme and rhythm of the brightest
star

The greatest songs ever written
He wrote straight from the heart
So tell me why would you change a perfect work of art?

Be a peaceful child of God
Be good and sing along
But let him play your song for you

We are all a part of creation that was planned so
skillfully
Here in a cosmic orchestra we play so lovingly

He knew love was right when he made it
Yes, from his sustaining hands
The greatest song which he called love will forever
stand
