"You"

In your eyes, I can't see
All the joy, oh so sweet
Has your love gone down riding away?
Can you feel the love beating in me for you?

Together we'll be deep
Under reign of the High's mystique

How much can true love give up?
Can two give alone?
Can you love me as I cherish my love for you?

Baby, can't you see we're close?
I don't need nobody else by my side

Darling, do you believe you're the only one for me?
I swear you'll see that I believe in you
