Love is such a precious gift

One thing in my life I know is true

And I.O.U.

Deeper than the ocean

You touch me like no one could ever do

I.O.U.

CHORUS:

And I never could replace the look that's in your eyes

I could save up all my kisses till the end of time

All my love in my life 'til it's through, I.O.U

Love is such a precious gift

The currency of life I never knew

Now I.O.U.

Keep it for eternity

The vow I made the day I said "I do"

I.O.U.

And I never could repay the look that's in your eyes

So to pledge myself to you would be no sacrifice

All my love in my life 'til it's through, I.O.U.

You lay me down on hallowed ground with one touch of
your hand

You hold me like a baby, that's when suddenly I
understand

All that you do, I owe it to you

All my love in my life 'til it's true, I.O.U. (X2)

And I never could repay the look that's in your eyes

I could save up all the kisses 'til the end of time

So to pledge myself to you would be no sacrifice

All my love in my life 'til it's true, I.O.U
