You could give me diamonds

You could give me pearls

Give me all the fast cars

In the World

But there is only one thing

And its bigger than the sea

The only thing that matters

Is what you've given me

Chorus

When I see the bright lights in your eyes

Feel like a bird that's just learned to fly

From now until the end of time

I'm glad you came into my life

My gift sent from above

Unconditional love

You take me as I am

Not who I'm dressed up to be

Looking at you tells me

The best things in life are free

You're the blessing that I treasure

With a heart so true

Noone ever touched me

The way that you do

Chorus

With your innocence you opened up my heart

I knew that I would love you right from the very start

You turned my life around showed me a better way

Thoughts of you will always make me have a brighter
day

When I'm by your side it helps to see me through

Can't express all the happiness when I'm with you

A gift from up above the one I'm dreaming of

I'll always cherish you my unconditional love

When I see the bright lights in your eyes

Feel like a bird that's just learned to fly

From now until the end of time

I'm glad you came into my life
