Whatchu talkin' bout  
Whatchu talkin' bout  
Whatchu talkin' bout  
Whatchu talkin' bout  
Whatchu talkin' bout  
Whatchu talkin' bout (oh oh)  
Whatchu talkin' bout (oh oh)  
Whatchu talkin' bout  
Whatchu talkin' bout  
Whatchu talkin' bout (what what what)  
Whatchu talkin' bout  
Whatchu talkin' bout

I remember talking to you constantly  
Cos we were cool like that  
Playing silly games with you, we had a ball  
Going to the movies, or just hangin' out  
Watching a DVD  
But now it's let's do lunch  
The limo pickin' you up around three

Sayin' hit me on my mobile  
I'm a little busy  
Got a lot a people to call (oh-whoa you)

Whatchu talkin' bout, I don't really hear it  
Cos you keep on fadin' out  
You're not comin' through, watcha gon' do? (gon' do?)  
Whatchu talkin' bout, who you think you're fooling? (oh)  
There's no way I'm hangin' out  
With someone like you, watcha gon' do?

It started when the fame and fans kept coming in  
And then you changed on us  
Then you told us you were cool and we were wrong  
When I call you on the phone  
You act like you ain't home  
Checkin' your caller ID  
Now I've seen it all  
Why you getting fake on me

Know you gotta lot of problems  
And you need to solve then  
But it's not gonna be with me around (with me around,  
no-oh)

Whatchu talkin' bout, I don't really hear it (no, oh)  
Cos you keep on fadin' out  
You're not comin' through, whatcha gon' do?  
Whatchu talkin' bout, who you think you're fooling?  
There's no way I'm hangin' out (oh, oh)  
With someone like you, whatcha gon' do?

Whatchu talkin' bout, I don't really hear it (what, what,  
what what)  
Cos you keep on fadin' out  
You're not comin' through, whatcha gon' do? (what)  
Whatchu talkin' bout, who you think you're fooling? (no,  
oh)  
There's no way I'm hangin' out  
With someone like you, whatcha gon' do?

We should be the same but I doubt that you could  
change  
Cos you're caught up in your me, myself and I don't  
give a  
Cos I know we're not the ones to blame  
But we had it goin on till you started doin' us wrong  
I'm not trying to be a hater but your words are stuck  
I'm fed up and I had enough, oh-oh

Whatchu talkin' bout (oh oh)  
Whatchu talkin' bout  
Whatchu talkin' bout (oh oh)  
Whatchu talkin' bout  
Tell me

Whatchu talkin' bout, I don't really hear it (what you  
talkin bout?)  
Cos you keep on fadin' out (keep fadin' out)  
You're not comin' through, whatcha gon' do? (come on,  
no)  
Whatchu talkin' bout, who you think you're fooling?  
(Uh, huh, who you think you're foolin?)  
There's no way I'm hangin' out  
With someone like you, whatcha gon' do?  
(Like you, what you gon' do?)

Whatchu talkin' bout, I don't really hear it (what you  
talkin bout?)  
Cos you keep on fadin' out (keep fadin out)  
You're not comin' through, whatcha gon' do?

Whatchu talkin' bout, who you think you're fooling?  
(What you talkin bout?)  
There's no way I'm hangin' out  
With someone like you, whatcha gon' do? Whatchu  
talkin' bout Whatchu talkin' bout [Repeat to Fade]
