Calm The Fuck Down (x4)

Comme Des Fuck down, homie calm down
I'm down for whatever, so you better be about it too
How do you - expect me to believe your legit with this
Shit
Your lips need to be fixed if you talk how you spit
You ain't fit for this crowd, to quiet for this loud
You get smoked like an ounce tryna be down for the
Count
The amount - of dudes that apply
Fantasize about this life forgetting to analyze it
Eyelids must be Open, at all times
You better be about whatever you speak on your
rhymes
Whether crimes or actions, don't lie about nothing
And they will have your back, just don't be fronting
This is advice from the wisest, whether you like or
Despise it
Told you I'm real at it's finest, told you I'm more real
Than a diamond
(I'm just reminding)

Comme des fuck down, homie calm the fuck down
Comme des fuck down, homie calm the fuck down
[Ay, Ay] Calm the fuck down, homie calm the fuck
down
So when I tell you calm down, you better calm the fuck
Down

Comme des Fuck down, homie calm down
I'm down for whatever, so you better be about it too
How do you not be, got me confused
I hope you don't do the same thing with your crew and
Shit, or we gon' need a eulogist
Gassing people up and your the one fueling it
Your plastic, I'm a jewel with it
Differentiate real and fake, Appreciate me when I'm
Gone but now I feel the hate
But fuck the hate
Every way they judge and rate, This garden got a

couple
Snakes - meaning ain't nothing safe
You see I keep it true and "g", I see you
Committing them counts of truancy

Comme des fuck down, homie calm the fuck down
Comme des fuck down, homie calm the fuck down
Calm the fuck down, homie calm the fuck down
So when I tell you calm down, you better calm the fuck
Down

Calm the fuck down (x6)
You better -
Calm the fuck down
Calm the fuck down

Calm the fuck down (x6)
You better -
Calm the fuck down
Calm the fuck down
