#### VERSE1:

i have no friends  
i have no life  
no one likes me  
this pain is because of me  
This is my life  
being a loner is what i do  
yer im a loner  
yer im not proud

#### Corous:

no life with no friends  
I have no money without a friend  
no life with no friends  
I have no money without a friend  
no life with no friends  
I have no money without a friend  
no life with no friends  
I have no money without a friend

#### VERSE2:

I cant buy friends  
i cant make them  
im a loner cant you see  
my only friend is me  
in not to keen on who i am  
so screw you and everyone  
i cant stend being alone  
but screw you im a loner

no life with no friends  
I have no money without a friend  
no life with no friends  
I have no money without a friend  
no life with no friends  
I have no money without a friend  
no life with no friends  
I have no money without a friend
