It's gonna be a lonely night  
I've lost my sight  
To leave a love, my life without a passion  
I need a passion, I need a passion...

I pray all the night  
It's my time to breakout and my dreams are over  
Giving my life, if you want you can save me  
and take me through your soul  
I'll give you my love... (2x)

Late in the night  
When I'm lying alone in the dark without you  
Tears in my eyes  
and I'm crying a river that leads right to your door  
I'll give you my love... (2x)

(Chorus)  
It's gonna be a lonely night  
I've lost my sight  
To leave a love, my life without a passion  
I need a passion  
It's gonna be a lonely night  
I've lost my sight  
To leave a love, my life without a passion

Living my life  
it's so hard to go on when you're not with me  
Feeling a fight  
How I struggle inside and I feel my heart explode  
I'll give you my love... (2x)

(Repeat Chorus)

Tears in my eyes  
When I feel that certain power  
Tears in my eyes,  
Tears in my eyes...
