(Krazy)

From the moment that I saw you that night only thing  
that kept me going was  
your vibe one of those shows that didn't seem to go  
right pointed you out told  
you to meet me at stage side.

[bridge]

I would have paid just to come and see you, the way  
that you dance love the way  
that you move, got one of me need a poster of you,  
you're the girl that puts the  
picture in my mind

[Chorus]

Guess u don't understand ill be your biggest fan when I  
get off the stage tonight  
I wanna be your man, now thank you for wanting me  
but I need you in my life, if  
this night goes the way that I planned ill be your  
biggest fan

At the signing you was no were to be seen and now I  
wanna see you more than  
you came to see me, I'm getting nervous will I find the  
words to say, now ain't it  
funny it should be the other way

[bridge]

I would have paid just to come and see you, the way  
that you dance love the way  
that you move, got one of me need a poster of you,  
you're the girl that puts the  
picture in my mind

[Chorus]

Guess u don't understand ill be your biggest fan when I  
get off the stage tonight  
I wanna be your man, now thank you for wanting me  
but I need you in my life, if  
this night goes the way that I planned ill be your

biggest fan

(Rocky)

Front row the rock spots a chick that don't want his  
dough but still loves his  
hits that's the way to go if I was poor or rich she  
wouldn't let me go (Rocky:)  
cause this chick (Krazy:) is so damn ghetto (Rocky:) she  
wants to chill and roll with  
me (Krazy:) back stage (Rocky:) and when it comes to  
blazing she can blaze all day  
(Krazy:) she wants him for the many years not the  
status that comes along with  
being famous

(Flava)

Hold up yo let me break this down with only eight bars  
its so hard to take the  
crown I've been watching your style girl its been a while  
since I seen ya at the  
show cant wait to meet ya and treat ya good do  
everything I should need your  
flava so bad got me touching wood we could blaze it  
rearrange it turn the pages  
and if we meet again ill forget about the wages

Chorus till fade
