[Verse 1 - James]

Look in your eyes I see a new story
I can't deny my past ain't perfect too
Singin, I'm not here to get false answers
But just like you I got true questions too (yeah)

[Bridge - Mus]

I never wanna let you go
In ya eyes I can tell that is what we both know
I never wanna see you cry
Or love so perfect let it die
Now baby, baby, baby

[Chorus - All]

I, wanted you to go your way
I, wanted me to go mine
I'm, sittin here thinkin
Passin the time
I, wanted you to go your way
I, wanted me to go mine
I, never thought you'd say
Baby goodbye

[Verse 2 - James]

Hearin your voice just makes me remember
All those times when we were nothin more than friends
I knew you, you knew me, and everything was plain to
see
How did I let us get so deep?

[Bridge - Mus]

I never wanna let you go
In ya eyes I can tell that is what we both know
I never wanna see you cry
Or love perfect baby let it die
Now baby, baby, baby

[Chorus - All]

I, wanted you to go your way
I, wanted me to go mine
I'm, sittin here thinkin

Passin the time
I, wanted you to go your way
I, wanted me to go mine
I, never thought you'd say
Baby goodbye

[Rap - Kenzie]

Yo, I looked in ya eyes then I said
Baby I loved all the time that we spent
Then you replied with a tear in ya eye
It should come to an end then we'll both be friends
Both shed tears then we sat for a while
That stone cold feelin puttin on a smile
Know that your leavin lookin to the sky
That one dark evenin killin me inside
Through a new doorway to a next line
Coz you've gone your way and I'll go mine
You know I'll still see you face though we both been
apart
I know you got your place deep in my heart
Yo, I just feel so down
Might come around but its for the best now
Both broke down and I'm choked inside
And from the first time when I said baby goodbye
(goodbye)

[Rise - James]

Baby I tried to understand
Why ya had to leave me
And why ya had to be free
Lady I hope you understand
Why I didn't disagree
And why we weren't meant to be

[Chorus - All (x2)]

I, wanted you to go your way
I, wanted me to go mine
I'm, sittin here thinkin
Passin the time
I, wanted you to go your way
I, wanted me to go mine
I, never thought you'd say
Baby goodbye

I, wanted you to go your way
I, wanted me to go mine
I'm, sittin here thinkin
Passin the time
I, wanted you to go your way
I, wanted me to go mine
I, never thought you'd say

Baby goodbye (Baby goodbye)

I wanted you to go your way (your way)

I wanted me to go mine (go mine)

I, sittin here thinkin

Passin the time

I wanted you to go your way (your way)

I wanted me to go mine (go mine)

I never thought you'd say

Baby goodbye
