[Verse 1 - Kenzie]

I'm just sprintin  
They can't catch me now  
Just runnin, stunnin  
Two levels above 'em  
Life's outta control  
Take it while it comes  
But I doubt it will go for a while  
Let them all just smile with a glow,  
Great proof for the live style and the flow  
(Runnin away)  
Make sure I've got the right mind when I role  
Friday Hill now it's time to be shown  
Look back to the day's replayed  
When we all rapped on the stage  
And the track's that we made  
Now it's Kenz second time round again  
But its just three  
So it must have been in out the UK fresh  
Life's gonna change for the best  
Friday put the game to rest (uh)  
We're still young we'll be miles ahead  
Why?  
When we walk take a mile a step  
That's why

[Chorus - All]

Stop runnin away  
From all this pain  
Stop  
Stop runnin away  
Stop chasin the days  
I've tried to regaze and erase from life

[Verse 2 - James]

So I run  
Get bored ????  
Can't afford the funds I applaud my mum coz she  
support her son  
19 years, plenty of tears and fears now I'm done  
But which way to turn?

I can feel it burn  
When I'm out there and I've got so much to learn  
When I'm out where  
You need to run faster cause they mark ya  
You need to get away  
But is that the answer?  
You gotta keep on, get the beat on  
Wax, and put the street on track  
And get life on  
You know you gotta stand tall like pylons  
Express myself at the right time on the right song  
Get the right vibe for the people to bite on  
Get the right girl to set your sight on  
Its as if someone just turned the light on  
And its as if someone just turned my life on

[Chorus - All (x2)]

Stop runnin away  
From all this pain  
Stop  
Stop runnin away  
Stop chasin the days  
I've tried to regaze and erase

Stop runnin away  
From all this pain  
Stop  
Stop runnin away  
Stop chasin the days  
I've tried to regaze and erase in my life

[Verse 3 - Mus]

No I can't keep runnin away  
So I'm breakin the stray  
Movin on with my life keep workin these days  
And when the hard work pays,  
And when it's hard you feel the pain  
Need to walk away  
But instead ya  
(running away)  
Told ya to stay  
That's what they say  
No matter what your taught  
Time will never change  
So I rhyme another page  
To another time another place  
Another mic another stage another hype another wage

[Chorus - All (x2)]

Stop runnin away  
From all this pain

Stop  
Stop runnin away  
Stop chasin the days  
I've tried to regaze and erase

Stop runnin away  
From all this pain  
Stop  
Stop runnin away  
Stop chasin the days  
I've tried to regaze and erase from my life

Runnin away  
Runnin away  
Runnin away

From my life
