In your eyes  
I can see you smiling in your eyes  
I know that you love me in your eyes  
I can see you smiling in your eyes  
Always

Baby I am just a silly(silly)romantic fool  
Tryin' to capture you always  
Forever and a day  
I will love just you  
Your All I ever wanted to love

Woman you know that I would die for you  
Cry for you  
Ma arms are forever open wide for you  
an you need not av no fear  
Ill forever be here  
Cuz woman you no that im a part of you  
With My heart, my body, my mind, my soul  
Its written in the skies that we were meant to be  
Forever yours an your forever mine I can see it in your  
eyes

In your eyes  
I can see you smiling in your eyes  
I know that you love me in your eyes  
I can see you smiling in your eyes  
Always

You no ill be there  
Ill still care, Ill see you  
We can be friends, We can pretend  
That what we got will never end coz its just to hot and  
Everytime in ma life that I feel that I cant go on  
Coz I gotta stay strong n ma life will end  
And ill feel like this we see whats wrong

I wanna bring all your fantasies together  
Take you to heaven (heaven)  
Whenever your feelin' down and out  
Ill be there for you

Yes I will  
Whatever the situation  
Your all confused  
Baby im here to take the pain  
So you can keep that smile

In your eyes  
I can see you smiling in your eyes  
I know that you love me in your eyes (you love me in  
your eyes)  
I can see you smiling in your eyes (in your eyes girl)  
Always (in my heart)

I can see the smile forming in your eyes  
I can feel the comfort in your smile  
I can feel the warmth when im with you  
I will never let you down baby  
I can see the smile forming in your eyes  
I can feel the comfort in your smile  
I can feel the warmth when im with you  
I will never let you down
