this is just one of those stories about when u just see

so this is 4 all u fly chicks out there
yo kenzie, tell em

kenz flossin
hugo bossin
ice history
my girls on the louie vatons
and gucci baby come 2 me
coz your looking cold
and i thought that u needed 2 be told
the way u walk, talk
god that attracts
girl i'll tell u when 2 stop
i'll have the la the laughs
forget about the clock
i'll turn it back when u need 2 be dropped

she wants ice on her wrist
she wants more than a chick
who just stands there and licks her lips and thats it
if theres a problem why she cant get those things
im ready 4 that sh*t, no doubt about that
if she cant deal with me its coz im dangerous
we were made 4 eachother it was strange at first
but im complete now your in my life
u know its right
we're alike
the time is right

girl u look so dangerous
the clothes that your wearing outrageous
the way that you walk so marvelous
your made 4 me and thats a fact
mysterious and i love it
i know what i want and u got it
u dreamt that its near and your in with it
tour made 4 me no doubt about that

your long legs. blonde hair. your blue eyes
u make me feel so good its like im hypnotised
then i see u walking there your just walking down the
street
all flicking your hair
u dont care
all these mans stop and stare
but the only little problem is that i really wanna work out
is
me and u stay together through and through
i care 4 this girl
girl i love u

but it aint a luv thing
with me its a flow
if u wanna come bust with me
its a trust thing
its a cat and mouse game with me
you aint fussy
but this game is 2 hot 4 me its getting rusty
so learn that u aint better than me
coz im gonna be the biggest thing in british white
history(uk)
we just need 2 carry on keep ourselves out of situations
that r pis*in mr off
puttin me off

girl u look so dangerous
the clothes that your wearing outrageous
the way that you walk so marvelous
your made 4 me and thats a fact
mysterious and i love it
i know what i want and u got it
