Diggy diggy down
Diggy down
Blazin'
Liason
Bringing the sound
(It's a love thing)
Let's go!

This is not just a physical thing
Love is what I'm offering
Diamond rings and sentimental things
This is what I'm offering

This girl she was sweet sixteen
Blonde hair, blue eyes, i like to keep em keen
L-O-V with the E was all up in me
This girl was tick, she had a look so mean
I think this could be love and not just a fling
Cause I won her heart with the roses that I bring
So I think I'll finish off this little ting
With the diamonds to the ring
And the lyrics that I sing

I'm sniper
I aint a player
Love is real should last forever
Diamond rings, candle-lit dinner
Crystal wine from a true lover
Romance in the air
The bells are ringing
All this truly is singing
snipers love is everlasting
Your always in my heart there's no escaping

This is not just a physical thing

Love is what I'm offering
Diamond rings and sentimental things
This is what I'm offering

This is not just a physical thing
Love is what I'm offering
Diamond rings and sentimental things
This is what I'm offering

When I'm in control
I'm like heartbreaking
Love-making
Room shaking
Girl just come and let me do my thing
Cause I'm all alone and I'm still standing
With all this stuff you keep forgetting
Fed up, I'll just do as I will
I don't know what to do
To make it the right thing
With this talent I'll go undefended

I'll be round 24/7
Get married have kids and go to heaven
Girl your nice and pretty
I'll make your love fun, nice and easy
Here I go
This ain't no show
I love you so much we'll go with the flow
Yes, yes, you'll be my guest
Out of all the girls I love you the best

This is not just a physical thing
Love is what I'm offering
Diamond rings and sentimental things
This is what I'm offering

This is not just a physical thing
Love is what I'm offering
Diamond rings and sentimental things
This is what I'm offering

If love was a car it'd be a bentley
This is a blazin' offering!
If love was crime, come and shift me
This is a blazin' offering!
If love was cash I do a robbery
This is a blazin' offering!
I'll be loving you for eternity
This is a blazin' offering!
