Tried to pull wool over my eyes
Knew, it was comin
Why? Cause you laid the bait
And I see mistakes to dare tempt fate
This games here to be played
Not arranged, not voted, for on my stage

My age got me caged
But I broke the chains and rode free from the hate that
held my name
My aim to evolve in this time of change
These days choices you make become mistakes
And rage makes you lose all faith in yourself
Can't take the weight and can't take the strain
And, my click will stay the same
But, if you think you can test the name
Can't, better fools couldn't stop us
Its the children of the revolution

[Chorus]
You won't fool the children of the revolution
No you won't fool the children of the revolution
No Way, Hey!

Don't wanna act like you know the kids
Cause I know full well you don't know the kids
I was focusin hopin rollin Dreamin
Now we're so hot we're steamin
'86 people say, I, represent the youth today
My, skills can blaze the drama away
But still I carry on never fade

Hey yo it's Bizzle here
Spittin heavy metal yeah
Reality not manufactured we be rebels yeah
We shed tears, bomb scares, world fairs
Who cares? We care, now where? Lets do this for the
Children!

[Chorus]
You won't fool the children of the revolution

No you won't fool the children of the revolution

It seems to me what people see can easily be told
It seems to be that TV shows can easily get old
We're from the streets, we're makin beats and know
we're gonna blow
We're takin over now, don't say that you weren't told

[Chorus]

You won't fool the children of the revolution
No you won't fool the children of the revolution

No you won't fool the children of the revolution
