In the beginning there were two decks and a micro  
phone  
in the end the Blazin squad stood alone  
we're the Eastends best kept secret,  
ten men in our crew  
TNT explosive bringing the tunes  
we're all busting standard flows.

I'm blazing hot like the heat of the sun  
no time to lose put the suppressor on the gun  
make no mistake cuz Melo-D is number one  
don't even want to step me because the battle has  
been won  
hype up the set 5,4,3,2,1  
better brace yourself for the fight is to become  
a battle of all dapa d's  
fighting for the right to be a garage MC

Stop, wait here i go  
MC sniper top of the show  
come step to me i'm a P-R-O  
if u get rude u get peoples elbow  
we're coming at ya with a standard flow  
you've hit rock bottom and then i bust the eyebrow  
so step to me you'll get done  
don't hesitate just bring it on

When i come through black suit, white shirt better quit  
the game  
you aint gonna be the one with money to gain  
yo, throw your hands in the air if you wanna test this  
ha, thats what i thought so i said you couldn't  
and even if you could you know you really shouldn't  
I'll pull it over your eyes and over your face  
and Flavas surprise is what you can taste  
so don't be late  
cuz these cats tempt fate  
MC's wanna hate  
never wanna act bait  
so fat,  
so never sound wack on this track  
taking your boys, my crew be down for these cats

Catched in the back of a blacked out car  
with the rythm rolling upon the speaker  
chromed out alloys and a lower bumper  
twin exhaust and a private number  
Spike-e MC gets you hyper  
you think im dark well i go deeper  
you think your quick well i'm just quicker  
two spinning decks and a fat mixer  
think your bad well im just badder
