Rocky

Yo,

Baby girl, are u missin me,

Cos im still missin u

All

Im just calling to say that im really really missing you  
girl

Still wanna be part of your world

I gotta let you know

That I cant let go

Its kinda lonely baby

Flava

I think I need you more then life itself

But I aint about to put down the mike for a girl

Im feeling your pain

I still just the same

Just one difference

Im flava u still love James

Pick up the phone

Coz I know you wanna speak

Its been a week

I aint a creep

Fulfilled your needs and fantasies

Just like the old times

Remember the old rhymes

On the cold streets we first meet

Seemed so right

All

And it don't matter what your friends may say

Coz I still think about you everyday

And I just wanna get close to you

Tell me what I gotta do girl

Im just calling to say that im really really missing you  
girl

Still wanna be part of your world

I gotta let you know

That I cant let go  
Its kinda lonely baby

I wanted to say im still thinking about you everyday  
I wanna see your pretty smile again  
I gotta let you know  
Still thinking bout you no I cant let go

Spike-e  
Ive got something to say  
Times we chilled together held each other slipping  
away  
And now I feel that I cant hold another  
Missing each day now theres no one here to run to  
cover  
Missing you babe now I feel I never find another lover  
Missing your ways and every day is the same  
It rains sitting here lonely feeling rage and pain  
But if you come back soon babe  
Times don't change  
Ill always be here and here ill stay

And it don't matter what your friends may say  
Coz I still think about you everyday  
And I just wanna get close to you  
Tell me what I gotta do girl

All  
Im just calling to say that im really really missing you  
girl  
Still wanna be part of your world  
I gotta let you know  
That I cant let go  
Its kinda lonely baby

I wanted to say im still thinking about you everyday  
I wanna see your pretty smile again  
I gotta let you know  
Still thinking bout you no I cant let go

Krazy  
Theres only one thing ive got to say  
That is that ill miss you every day  
We were made for each other  
I know I was wrong im still thinking about ya  
I want to know what I did wrong  
All I know is a got to stay strong  
I need you I want you I need you to hold  
Baby wont u come back home

All

Im just calling to say that im really really missing you  
girl  
Still wanna be part of your world  
I gotta let you know  
That I cant let go  
Its kinda lonely baby

I wanted to say im still thinking about you everyday  
I wanna see your pretty smile again  
I gotta let you know  
Still thinking bout you no I cant let go

Im just calling to say that im really really missing you  
girl  
Still wanna be part of your world  
I gotta let you know  
That I cant let go  
Its kinda lonely baby

I wanted to say im still thinking about you everyday  
I wanna see your pretty smile again  
I gotta let you know  
Still thinking bout you no I cant let go
