Who's it gonna be?,
Is it him or is it me?,

Who's it gonna be?,

FLAVA

Yo, baby who's it gonna b?,
Da X5's outside an' i'm lukin' 2 ride,
It's 10 below zero,
No fear, coz Flava'z gansta like Robert DeNiro,
Dis boy, ur witness,
An, u heard of me,
I'm a shepherd dnt b concerned,
Wiv a herd of sheep,
Listen, my style's jus' so different from da rest,
I'm handsome, intelligent,
I no i ain't da best,
But i've worked real hard,
I've put da effort in,
I've drove my skills upon da rhythm,
I've listened, it's easy believe me,
It's simple,
I'll show u how we turn dis,
***** upside down,
I luv ur dimples,
Ur smile, it drives me wild,
Yea, all jumps inside,
It's ur eyes,
Dat's got me hypnotised, evritime,
Stop, believin' wat u heard from ur friends,
I ain't a playa,
I jus' link da girls in da end,

REEPA

I'll tell u straight,from da start

R u a part of it?,

If u ain't i'm not givin',

My heart 4 it,

U got a choice of 2,

Is it me or him?,

It dnt bother me,

Coz eitha way i'll win,

Coz if u can have 2 guys,

Then i can have 2 girls,

Dat's da way it goes,

Wen ur livin' in my world,

I still wnt gettin' down wiv u,

I ain't lettin' my feet leave da ground 4 u,
