Intro:

Verse I

So this is how it gets?
Aren't we supposed to be invincible?
Then why are we falli'n apart?

Intro:

Verse II

Your voice is fading away
I can't see your eyes that sparkle
Like the stars everyday
I thought this everlasting
Partnership would never end

Refrain:

Then why are you leaving me so easily?
Why can't you love me so easily?

Chorus:

There's no point
In telling me now
'Cause sometimes
The walls that are holding us in
Are falling apart
So why don't you just

Give it up!
Give it up!
Give it up!
Give it up!

Verse III

Tears fall down your face
That you can never erase

This doesn't make sense
When you have nobody else

Refrain:

Then why are you leaving me so easily?
Why can't you love me so easily?

Chorus:

There's no point
In telling me now
'Cause sometimes
The walls that are holding us in

Are falling apart
So why don't you just

Give it up!
Give it up!
Give it up!
Give it up!

Bridge:

The broken glass from our past
Will never last
'Cause you can never
Erase the past

Chorus:

There's no point
In telling me now
'Cause sometimes
The walls that are holding us in
Are falling apart
So why don't you just

Give it up!
Give it up!
Give it up!
Give it up!

Chorus:

There's no point
In telling me now
'Cause sometimes
The walls that are holding us in
Are falling apart

So why don't you just

Give it up!

Give it up!

Give it up!

Give it up!
