Babe I feel that something's going on  
And I feel that something's in the way you dance  
Now I know that something is going right  
And I feel that somehow is time to take a chance

And I know what I feel for you baby  
I know that you really wanna be with me  
I know that you want me  
I know that you need me  
Deep in my heart  
Deep in my heart

Baby what you gonna say?  
Take me I dont wanna wait  
I'll be your playdate do you wanna play  
I dont need a reason do you wanna stay

Baby what you gonna say?  
Take me I dont wanna wait  
I'll be your playdate ain't no other way(ain't no other way)  
I dont need a reason you know you gonna stay

The way I feel ain't nothing going wrong  
But I feel there's something I just have to know  
Do you feel that something's going right  
Do you feel the passion that this night can hold

And I know what I feel for you baby  
I know that you really wanna be with me  
I know that you want me  
I know that you need me  
Deep in my heart  
Deep in my heart

Baby what you gonna say?  
Take me I dont wanna wait  
I'll be your playdate do you wanna play  
I dont need a reason do you wanna stay

Baby what you gonna say?

Take me I dont wanna wait  
I'll be your playdate ain't no other way(ain't no other  
way)  
I dont need a reason you know you gonna stay
