Shatter the mirror on the wall and turn me into beautiful
broken pieces. I
am a slave to my own reflection. Hollywood in a soft
syringe push it in and
make a star out of me. Hollywood in a soft syringe and
I'll forget who I am.
I wanna be your new big nothing, glowing on a silver
screen. I'd like to
thank the academy. And all my family and friends.
We'll make another
masterpiece. A monologue and a eulogy. I couldn't
have done this without
you. I couldn't have made it this far without you. I forget
who I am
sometimes. I forget my lines. Hollywood in a soft
syringe push it in and
make a star out of me. Hollywood in a soft syringe push
it in and I'll
forget who I am.
