My baby moves at midnight
Goes right onto the dawn
My baby takes me higher
My baby keep me warm

What you doin' on your back aah
What you doin' on your back aah?
You should be dancing, yeah
dancing, yeah
(repeat)

She's juicy and she's trouble
She gets it to me good
My woman give me power
Goes right down to my blood

What you doin' on your back? aah
What you doin' on your back? aah
You should be dancing, yeah
dancing, yeah

(Beatboxing)

What you doin' on your back aah
What you doin' on your back aah?
You should be dancing, yeah
dancing, yeah

(Beatboxing)
