Lets burn the bridges that have brought us to our knees
Lets find a way to control
Our own hope and dreams.
Lets fight the facists
Arise and build anew
As big brother tries, tries to strangle you.

I'm finding out quickly
All that glitters is not gold
Is not gold,
I'm finding out quickly
All that glitters is not gold
Is not gold.

Your candy coated life
Denies reality
Your eye stiched tight
So you cannot see,
Your candy coated life
Denies reality
Your eye stiched tight
So you cannot see.

I'm finding out quickly
All that glitters is not gold
Is not gold,
I'm finding out quickly
All that glitters is not gold
Is not gold.

What are you living for?
Whom are you dying for?
What are you living for?
Whom are you dying for?

Lets burn the bridges that have brought us to our knees
Lets find a way to control
Our own hope and dreams,
Lets fight the facists
Arise and build anew
As big brother tries, tries to strangle you.

I'm finding out quickly
All that glitters is not gold
Is not gold,
I'm finding out quickly
All that glitters is not gold
Is not gold.

What are you living for?
Whom are you dying for?

I'm finding out quickly
All that glitters is not gold
Is not gold,
I'm finding out quickly
All that glitters is not gold
Is not gold.
