And through it all
These blood shed tears
Don't count for nothing
For the waste of all these years
Forget to regret
The things I've done wrong
No time to turn back
What's done is done and now you're gone

So I feel so lonely
Yeah I wish I'd die
I feel so lonely
You never asked why
So I feel so lonely
Yea I wish I'd die
I feel so lonely
You never asked why

And through it all
These blood shed tears
You learned to live with it
The worst of all your fears
Forget to regret
The things I've done wrong
No time to turn back
What's done is done and now you're gone

So I feel so lonely
Yeah I wish I'd die
I feel so lonely
You never asked why
So I feel so lonely
Yea I wish I'd die
I feel so lonely
You never asked why

Roll the dice, snake eyes, I guess I lose again (x3)
Roll the dice, snake eyes,
I guess, I guess, I guess, I guess I guess I lose again

So I feel so lonely

Yeah I wish I'd die
I feel so lonely
You never asked why
So I feel so lonely
Yea I wish I'd die
I feel so lonely
You never asked why (x2)
