You never knew a Rider until I got you Prada,
And showed you all the finer things
I took you out that Hooptie, went from Guess to Gucci
You even got a diamond ring (I gave you everything)

But You still left me in cold
And I couldn't figure out the reason why
House with the white fence, clothes with the right print
What else could I possibly do?
(Girl, I gotta know)

How could you leave everything behind
After all I've given to you
(How could you just be through?)
I didn't get it, lots of female would be with it,
But I noticed that you're different
Money can't buy you love

I don't know what I was thinking of
(Girl, I don't know what I was thinking)
How did I think I could buy your love
Now I know money can't buy me love
Now I'm wishing you'd come back to me
I couldn't believe how you left it all

Money can't buy me
Money can't buy me
Money can't buy me love

Girl I don't really know why
I thought I could show you that in the end the money
could win
(But the money never could win)
But Now I understand I should've got to know you
without the help of Benjamin

Can I get u to (understand)
I'm not really that type of man
Definitely have a new plan.
Come back, again.
Just knew I had u for keeps I didn't know u would leave
Girl I gotta know (Girl I gotta know)

How could you leave everything behind
After all I've given to you
(How could you just be through?)
I didn't get it, lots of female would be with it,
But I noticed that you're different

Money can't buy you love

I don't know what I was thinking of
(Girl, I don't know what I was thinking)
How did I think I could buy your love
Now I know money can't buy me love
Now I'm wishing you'd come back to me
I couldn't believe how you left it all

Money can't buy me
Money can't buy me
Money can't buy me love

Money can't buy me love
How did I allow myself to be so into you, that I can't let
you go
Money can't buy me love
I'm so used to being the player type, this is serious that
I should let you know.
Money can't buy me love
You need to realize how much you mean, cause I never
let my feeling show,
Money can't buy me love
No Money can't buy me love
