That's right ma now let me tell y'all
She's straight fit like banana type clips y'all
You gotta hit it like a batter to a pitch ball
Either way she flips all scales and polls
And I'm talkin' bout the girly never fails to glow
Yeah yeah I'm a lucky man I know
And I ain't slipping with percentage
It's the one double o I'm giving her
24/7 365 that's the way to do it right I hold her down
tight
