Verse 1:

These days I feel it all
Every corner of my mind
The weekends at the mall
Your sunday morning calls
Walkin' through the park, happily as we go
That night we swore we had the nicest time so I
Knew you were the one, you had to be the one
Hoping you and I would never ever see wrong

Slowly you were hard to see
Who wouldn't I'se worry
You leavin' before my eyes
I'm telling you now I cannot lie

Chorus:

No matter how I try, oh
These memories wont let go
Inside of me much sorrow
And I cannot pretend, it's killing me, ya know?
Seems like I'll never find that time for moving on
Lord knows I'm only human
Can't help what I'm doin'
Trying to get by these memories of my own

Verse 2:

So unbelievably real this can't be happening
We've shared too much of us
Love I thought it was
But shame on silly me, for having such a heart of-
Care trust and harmony that's what I'm living for
I see no other road... that's what I've been told
At times I still deny- it wasn't meant to be, no

Slowly it can possibly
You're right, now, who am I joking?
You leaving before my eyes
I'll tell you again I cannot lie

Chorus:

No matter how I try, oh
These memories wont let go

Inside of me much sorrow
And I cannot pretend, it's killing me, ya know?
Seems like I'll never find that time for moving on
Lord knows I'm only human
Can't help what I'm doin'
Trying to get by these memories of my own

Bridge:

From now I'll tell myself I can do it
It won't be easy but I'll get through it
Just look ahead and put the past behind for me
And believe though my heart's been broken
Everything is gonna be all right

Chorus:

No matter how I try, oh
These memories wont let go
Inside of me much sorrow
And I cannot pretend, it's killing me, ya know?
Seems like I'll never find that time for moving on
Lord knows I'm only human
Can't help what I'm doin'
Trying to get by these memories of my own

I know I can get by these memories of my own
