Yo! count it off!  
She got me talkin 'bout one step, two step  
Countin' every way you amaze me, and so it takes me  
Three step, four step for sure and as soon as I hit five  
I'm like OH NO!!  
Baby lookin' like a model yo.and everytime I see her I  
lose control  
How far I'd go you just don't know  
Yo seven won't you hit'em with a vocal yo!
