Withering in the rays
Deprived of love or life
Malnourished and filthy
Waiting for a severing

Like the flowers
Wilting in the heat
Chasing the rain
Looking for hope

Falling in the wind
Craving providence
Getting no reply
Hoping for some sign of life

Like the flowers
Wilting in the heat
Chasing the rain
Looking for hope
Like the flowers
Wilting in the heat
Chasing the rain
Looking for hope

Hollow as the life left on this desert
Dusty wind and bone dry air
This is the land of death and desperation
Living in hell on the face of the earth

Like the flowers
Wilting in the heat
Chasing the rain
Looking for hope
Like the flowers
Wilting in the heat
Chasing the rain
Looking for hope
