Everyone says goodbye someday
Even the strongest break away
Invincible until you hit the wall of shame
Can't help but think it stays the same

Sometimes your idols turn out to be fools
Sometimes your fears consume all that is you
Sometimes you wanna throw all you did down

Everyone says goodbye someday
Even the mighty fall in time
Look at all the perfect people melt to shit
Woah it's something no one could admit

Sometimes your honesty sinks into lies
Sometimes you wanna go let yourself die
Sometimes all you can do is go
Don't wanna try, but you do wanna know
Sometimes we all have to face up to life

Of course
