Facts

Can't deny this truth I see
Won't let it bother me
Working it's way to my nerves
Feeling this scathing burn
Tried so hard to turn away

Facts

Learn to live with this I guess
It's not as easy done as said
You go on and make believe
You deserved all that you recieved
I swear to fuckin' god it's true

Facts

Tell me what I don't wanna hear
Yell it loudly in my ear
Go ahead and let me know
Faced it up and now I show
Gotta cope with this now
