"I Want"

I wanna be someone to somebody
I wanna be someone's inspiration
I wanna live up to my intent and
I wanna live my aspirations
I wanna be

I wanna be revered and respected
I wanna be honest and true
I wanna make my family proud
I wanna clean up the mess I am
I wanna be
I wanna be
I wanna be
I wanna be someone

I wanna make it somehow someway
I wanna break a mold in a way, shape, or form
I wanna love more and hate less
I wanna be my own, unconformed
I wanna be

I want
I want
I want
I want
I want
I want
I want
I wanna be somebody
