We all saw it coming  
Hey who didn't  
It's imminent now  
And nothing can stop it  
Doesn't matter and  
It's too late to change  
Feed on the poison  
It's keeping me sane

Hey now the need was obvious  
Hey now the needle uses me

Dedicated to you  
You give me means  
A super natural sight  
And euphoric dreams  
Some say you're bad  
Bad for me  
I think it's not  
Dependency

Hey now the need was obvious  
Hey now the needle uses me  
Hey now don't say I'm addicted  
Hey now it's not imminent

Undertow of feelings  
Nothing can stop me now  
Honesty if it's bad  
Why does it feel so fucking good then?

Hey now the need was obvious  
Hey now the needle uses me  
Hey now don't say I'm addicted  
Hey now it's not imminent
