Following the lines laid across the table
My history of scars worn upon my face
I don't mind the mess I've made
It doesn't bother me when I'm happy

I'm alive
I'm a mess
I don't care
I feel fine

Looking back at time and why I'm here
Doesn't surprise me a bit that I'm down
Depression ravishes me every day so
I cure myself and chase that pain away

I'm alive
I'm a mess
I don't care
I feel fine
I'm alive
I'm a mess
I don't care
I feel fine

Underneath the clear blue there's a white flame
burning bright
It's not gonna die tonight

I'm alive
I'm a mess
I don't care
I feel fine
I'm alive
I'm a mess
I don't care
I feel fine
