Never liked to
Lay claim to
It's all fake I
See right through you
Sold the right to
Feel alive and
Found the fight to
Stay around

Do I ever
Feel alright at all
Not about my mind
Not about my life at all
Don't you ever
Think of someone else
Stuck up inside
Never get my point across

Showing up to
Fuck it up and
Never gained a
Thing at all
Sweep the slate blank
Rewrite history
Never really
Had my day

Do I ever
Feel alright at all
Not about my mind
Not about my life at all
Don't you ever
Think of someone else
Stuck up inside
Never get my point across

Can't you get some
Sort of truth from
All the lies up
On your table
Sweep the slate blank

Rewrote history
Now convinced I
Won't have my day
