At the end of the day I'm done and I'm through
Tired of being divided amongst you
Stripped of pride and feeling shamed
Never said I meant to mean a thing

Sullen and defeated
I crawl back to my place
Doesn't bother me
I'm out of the space

Talented a thousand times more than you know
But fear of embarrassment makes me a no-show
Confidence limited strength is weak
I'm sheltered and shallow, I'm hollow and meek

Sullen and defeated
I crawl back to my place
Doesn't bother me
I'm out of the space

I'll never show my face around here again
I swear
I'll never speak my voice around here again
I swear
I'll never visit this sick place again
I swear
I'll never live to commune again
I swear

Sullen and defeated
I crawl back to my place
Doesn't bother me
I'm out of the space
